## INTERESTING ITEMS FROM EL VERANO AND VICINITY.

Weekly Record of all the Happenings in His Town as Faithfully Recorded by Our Wide-Awake Reporter, "Archie McKiver."

Austin Moore spent Sunday in the vicinity of Wingo.

Miss Alice Kearney of Oakland is visiting the Kearneys this week.

Emmet Mullen was a visitor to the Exposition City last Sunday.

Frank A. Riser transacted business in the metropolis last Friday.

Mrs. McCouts of Kenwood was the guest of the Block family last Friday.

Nels Long of Santa Rosa was a guest at the Block home one day this week.

Miss Lucy Block visited with friends in Kenwood the latter part of last week.

Fred. Norrbom transacted business at the county seat the latter part of last week.

Heine Brunner has accepted the position of teamster for the El Verano Feed Company.

A. Axford of San Francisco spent the fore part of the week on his ranch near here.

Mr. and Mrs. McIvor of Berkeley spent the fore part of the week visiting friends here.

Tony Laselle of Alder Glen Springs, Cloverdale, is visiting the Serres home this week.

Abramo Marcucci of Agua Caliente is another aspirant for Road-overseer in this district.

Jack Kearney was down from Sobro Vista last Sunday and spent the day with his folks here.

L. E. Grimm, popular real estate man, was here from Oakland the latter part of last week.

Principal Kemp of our grammar school spent Saturday and Sunday sight-seeing in the Bay City.

Ed. Morris of Agua Caliente is out with a petition asking for the appointment of roadmaster for his district.

Jack Kelly, bottler of the famous Boyes Mineral Water, transacted business at the county seat Saturday.

Miss Mary Dowdall and Miss Marguerite Gordon visited friends in Santa Rosa the latter part of last week.

Paul Vannucchi and Willie Meehan attended the Miller-Moran boxing bout in San Francisco last Friday evening.

Among the passengers for San Francisco Monday were H. H. Granice, John Raybean, John Lombos and Captain Foley for Vallejo.

C. A. Bergstrom of the lumber firm of Bergstrom & Peterson transacted business in Oakland and San Francisco the latter part of last week.

J. B. Irwin, representing the new tile agency of R. G. Dunn & Co., San Francisco, was in town one day last week in the interest of his company.

J. Harry Weise seems to be the most popular man in the county since being elected Supervisor. Last Sunday his residence reminded one of a grand levee at the White House, Washington. He was being besieged on all sides by office-seekers, friends and political advisers as the writer passed by. It certainly looked as if Harry was the real thing as a Supervisor-elect.

The Southern Pacific yards here are in a deplorable condition since the late rains and our citizens are up in arms. The railroad officials should see to it that sufficient gravel is sent here to fill in the low places in its yards, as to leave them in their present condition is not only a reflection on the railroad but is unjust to its patrons. It will take at least a dozen carloads of gravel to put them in good condition. We trust this may be done.

Miss Eva Block visited Miss May Bosch the fore part of the week at Vineburg.

Mr. and Mrs. L. L. Lewis of Berkeley were here on business the fore part of the week.

A. Axford of San Francisco is spending the week on his ranch in the western foothills.

Mayor M. E. Cummings came down on Monday morning's S. P. train from Santa Rosa.

Frank Gobias his steam saw in town cutting stove wood and is doing a rushing business.

Mrs. W. W. Hoppercroft left for Oakland Wednesday, where she will reside for the winter.

The El Verano feed company has had a neat sign painted on its new feed store here.

Otto Conrad of the metropolis has accepted the position as bar tender at the Gables saloon.

Joe Pendergast of the Exposition City has accepted a position as the manager of Phil Rossi's stables here.

Pitcher Gregory, one of the crack twirlers for the Oaks, is spending the winter on his ranch north of town.

Mrs. Gertrude Paul and daughter of San Francisco are at the Parente Villa and will remain for several months.

Mrs. A. A. Pugh of Long Beach is spending a few weeks with her father A. J. Weaver near Glen Ellen.

W. L. Mouthorpe, traveling auditor for the S. P. Co., was here Monday balancing up station agent Gale's office.

W. Marzan and family have moved to this place from the city and contractor Gale is building them an attractive home.

Mr. and Mrs. D. Craner returned from the metropolis Sunday after a pleasant visit of several days with relatives and friends.

L. L. Lewis, Frank La Franchi and Leo Baines, prominent business men of this place, transacted business in Santa Rosa Tuesday.

A large crowd from here will attend the turkey raffle and shoot at the Levaroni ranch Sunday and they are sure to make things lively.

F. Jensen, the well-known horse dealer of the metropolis, is in town with a number of fine horses. He is registered at the Swiss-American Hotel.

One of our young 'blooms' who was enjoying a Sunday drive must have run into a la Wolgast by the looks of his face Monday morning. "That's all. Mum is the word."

The rumor that was spread around this town last week that L. Mouyer was a candidate for roadmaster here has been denied by that gentleman.

A beautiful diamond ring is being raffled off at Mullen's store. The chances are going fast and the ring is a peach. The Wilson Confectionary Co. of the city are the distributors.

Tomnie Crowe, who has been spending the past week at the Parente Villa, left for San Francisco Monday. Tomnie is an all-around democrat and through his stump speeches in these parts has converted many a voter to the grand old democratic party.

Great interest is being taken by our fight fans in the coming lightweight championship contest between Ad Wolgast, the holder, and Willie Ritchie, the San Francisco boy. A number of our sports will be at the ringside in Daly City on Thanksgiving to witness the battle and some pick Ritchie to win but the writer figures that Wolgast will retain the championship.

Everybody here is wondering what has become of "Dodo," the bright politician of the western foothills. Although he won his man for Supervisor, he fails to show up. Perhaps on account of being a turncoat he hates to face his fellow democrats.

It is rumored here that the large vineyard of the P. I. Company in the northwest limits of town is to be grubbed out. This is one of the most extensive vineyards in this section and in the opinion of well-known vinticulturists is a paying proposition. The defeat of the Local Option law here several months ago is one of the motives ascribed for destroying this magnificent vineyard "in order to get even." The P. I. Company should look well into this matter before sacrificing it as Sonoma Valley is one of the great wine centers of the State and will continue to be no matter what the Prohibitionists may do or say.

"Oregon" Billy Block of Vineburg was in town Sunday.

Among the boxers who are to clash Friday evening before Ed. Graney's Tuxedo Club, San Francisco, who are training here are Fritz Holland, Jimmie Fox and Willie Meehan.

"Jim Griffin," who spent several months here last summer, the guest of Paul Vannucchi, has been selected as referee for the great lightweight championship battle in San Francisco Thanksgiving afternoon.

A game commissioner would do well to visit these parts once in awhile as there are a number hunting without a license, the majority foreigners who object to paying the large fee. The shooting is done near their homes and now and then a shot is heard, a robin falls, the hunt-man dives for it and has it in the pot in five minutes.

About a dozen new summer residences have been completed on the old Nordwell ranch, now known as Sonoma Vista. The roads on this beautiful tract are now laid out and at present are being graveled. It is the intention of the owners of the tract to open up a road from El Verano Villa through the P. I. Co's ranch and connect the same with a large bridge costing \$20,000 to span Sonoma creek opposite Boyes Springs. A handsome depot will be built alongside the Southern Pacific road at that point and many other improvements have been mapped out.

ARCHIBALD MCKIVER.  
El Verano, Nov. 20, 1912.

**Automobile Catches Fire and Burns Up**

A large automobile belonging to Jack Gottenberg of the Mission Garage caught fire near Agua Caliente Springs last Sunday morning and was all but completely destroyed. The car, which was a seven-passenger affair, is supposed to have caught fire from a leaky presto tank. All that was saved from the car were the cushions and one tire. When Mr. Gottenberg discovered the fire he had the presence of mind to open the gasoline tank and thus avoided a serious explosion. A number of residents of Agua Caliente, seeing the car on fire, hastened to the scene and made heroic efforts to quench the flames but without success.

The car was a valuable one but we understand was insured for something like one-half its value.

**1913 Models of the Indian Motorcycle.**

Following the "14 important improvements" of 1912, the Hendee Mfg. Company announce no less than a dozen additional new features in their 1913 model of the Indian Motorcycle.

By far the most significant feature of the new machine is, the Cradle Spring Frame. It is something entirely new, a radical departure from the conventional bicycle and recent motorcycle systems of "springing." Briefly, the new device consists of the application to the rear wheel of the Indian Cradle Spring device as used on the front fork for the past three years.

Extending back horizontally from the frame joint cluster under the saddle, flanking the rear mudguard, are two 7-leaf Chrome Vanadium steel springs. The "C" shaped curls at the rear end of these springs are connected by stays to bell cranks on which the rear axle is hung. The forward end of the rear fork has a hinge joint which enables the rear wheel to yield to imperfections of road surface. All shocks are completely absorbed by the leaf springs. The rear wheel can go through almost any vertical mo-

tion without affecting the body of the machine. There is no "bottom" to this spring device. The life of the machine is greatly increased. The Engineering Department of the Hendee Mfg. Co. devoted 18 months of exhaustive test to the Cradle Spring Frame before finally deciding on its adoption for all models of the 1913 Indian.

In addition to the Cradle Spring Frame, the 1913 Indian embodies 10 other important improvements which will be appreciated by motorcycle riders in general. Prices remain the same as last year.

New style, single clinch rims; larger tires, wider mud guards front and rear with larger splashers; casing for upper stretch of transmission chain and curve of sprocket; larger luggage carrier in rear, fitted to all models; foot rests as well as pedals, fitted to regular 4 h. p. and 7 h. p. models; foot-brake lever fitted on left side, now operates band brake as well as the pedal action; larger size multiple disc clutch now fitted to all models alike; improved Indian type saddle.

All 1913 Indians will be chain driven, and finished in Indian red only.

## A Re(lie)able Newspaper

Our contemporary down the street which boasts of printing "reliable" news makes a number of "bulls" this week as usual.

For instance, in the news columns it says: "It is rumored that there is soon to be a double wedding in newspaper circles in Sonoma Valley. We are not guilty."

Neither is the editor of the Sonoma Index-Tribune, for that matter. Hence why such rot?

Again:

In reporting the accident of Mr. Nichelini, that unreliable paper says: "Dr. Hays set the injured member." It was Dr. Leix and not Dr. Hays who treated the broken arm.

Still again that paper erroneously says in its issue of Wednesday, in speaking of the debate to take place in Cloverdale tonight (Friday) between the Sonoma High and a team of the Orange City: "The trip was made in autos." That is getting the cart before the horse, isn't it?

Again, in making mention of the forthcoming masquerade ball of the Native Sons, it says it will take place on Thanksgiving eve, whereas the Y. M. I. mask ball will take place on that date while the Native Sons of Sonoma Parlor will hold theirs on New Years eve.

So it goes all through its columns, if we except those items filched from the Index-Tribune, which of course are always correct.

## Hoist on Their Own Petard

A dispatch from Los Angeles under date of November 21st, says: "The decision of the District Court of Appeals this afternoon will place California in the Wilson column, according to the best opinion."

This opinion of the court was rendered against the Board of Supervisors in the manner of canvassing the election returns for Los Angeles county.

The dispatch further says that unless some means can be found to forestall the result of the decision it is probable that the entire returns of Los Angeles County will be thrown out, carrying with it the 20,000 plurality for Roosevelt.

The decision of the Appellate Court is no surprise to those who were aware of the disreputable means used by the Roosevelt-Johnson schemers in Los Angeles County to cloud the result of the election in that county. That the returns down that way were being manipulated and held back to give California to the Bull Moose candidate in a tight pinch was patent to any one with ordinary intelligence, and they have no one to blame but themselves if their scheme has reacted against them.

Chas. Spindler's third installment on the incorporation of Agua Caliente and El Verano came too late for this issue but will appear next week.

## Grammar School Wins

The Sonoma High School basketball team went down to defeat before the Sonoma Grammar School team Thursday by the score of 24 to 13. The feature of the game was the playing of Gurth Bateman for the winners.

Sonoma Parlor, No. 111, Has  
Initiation and Banquet Last  
Monday Evening.

On last Monday evening a class of three young natives, A. Maffei, Louis Picetti and Victor Beretta, were initiated into the mysteries of the order of N. S. G. W. by Sonoma Parlor, No. 111, the initiation being followed by one of those sumptuous banquets for which the Parlor has become famed.

This meeting was also the occasion of an official visit by Grand Organizer McCabe, who is here for the purpose of further increasing the already rapidly growing membership of the Parlor. The members and visitors were much impressed by his eloquent discourse on the great aims and purposes of the Order.

The recently organized drum corps was out in full force, and enlivened the meeting with a fine selection of the very latest beats acquired under the efficient leadership of instructor Hansen.

A committee, recently appointed by the Parlor, will endeavor to secure assistance from the Grand Parlor at its next annual meeting in the erection of a monument on our plaza to commemorate the raising of the Bear Flag there. The committee is meeting with marked success and is very hopeful of carrying the project through.

Saturday evening, Dec. 14th, the best of the Parlor's talent will hold forth in Union Hall in an old time negro minstrel show to be followed by a dance. The proceeds of the entertainment will be donated to the Homeless Children's Fund to help in carrying on the great and beneficial work undertaken by the Native Sons Order of placing homeless children in childless homes, where they may know the kind love and protection denied them by an unkind fate.

## ANTI-ROAD HOUSE ORDINANCE INVALID.

So Say the Judges of the State Appellate Court—The Decision a Body Blow to the Mischief Makers of Sonoma Valley.

The Anti-Road House Ordinance, which was submitted to the voters of Sonoma County at the election held on the 5th inst., it now transpires is not worth the paper it is written upon. At least that is the gist of a decision rendered by the Third District Court of Appeal sitting en banc at Sacramento on Friday of last week.

As pointed out in these columns from time to time the Anti-Road House Ordinance was clearly unconstitutional and now that the Appellate Court has so decided, the prohibitionists and their allies of Sonoma Valley again get it in the back of the neck, and all upright and fair-minded citizens are rejoicing.

And why should they not rejoice? The enforcement of the unjust measure would have ruined a score of hotel and resort keepers in Sonoma Valley, which is essentially a health and pleasure resort, and would have worked havoc with all lines of business in both town and valley. The decision of the Appellate Court, however, has saved this valley from financial disaster for the time being at least, or until such time as the "Big Guy" of Sonoma Valley consents to some other scheme for revenge on our hotel and resort keepers, whom he would destroy by fair or foul means under the hypocritical cry of "reform."

The case which the Court of Appeal was called upon to decide was that of Chas. Zani of Stanislaus county, arrested for violating a liquor law passed last spring as a county-wide measure to close up all saloons outside incorporated cities in that county.

Zani, who had been sentenced to serve a term in the Stanislaus county jail, sought to gain his freedom on habeas corpus, on the grounds that the ordinance under which he was arrested and convicted was unconstitutional. His application for discharge was refused and his attorneys then took the case up to the Court of Appeals, which declared the ordinance unconstitutional and ordered the release of the saloon man. This ordinance in question applied to only those parts of Stanislaus county outside incorporated cities and towns and was adopted by vote of the electorate of the whole county, including the residents of incorporated cities and that was attacked mainly on that ground.

The decision of the Appellate Court was based on the point that the legislature enacted the Wyllie law to deal with the liquor question outside of incorporated cities and towns, and the Wyllie law provides that the unit of decision is the supervisorial district. The court declared that the legislature did not intend that the initiative law should be used to supersede the Wyllie law and cited the fact that if the precedent set in that county were upheld the people of the county, including those of incorporated cities and towns, might override the will of the people of a supervisorial district.

## Ordinance No. 126

An Ordinance amending Section 2 of Article XII of Ordinance No. 68, entitled "An Ordinance revising the Ordinances of the City of Sonoma," passed and approved November 21st, 1900.

The Board of Trustees of the City of Sonoma does ordain as follows:

Section 1. Section 2 of Article XII, of Ordinance No. 68, entitled "An Ordinance revising the Ordinances of the City of Sonoma," passed and approved November 21st, 1900, is hereby amended to read as follows:

Section 2. Burial Permit and fee therefor. No person shall cremate, inter, or otherwise dispose of any human body or remains in the Mountain Cemetery of the City of Sonoma without first having obtained a permit therefor from the City Clerk. The person applying for a permit must procure and file with the City Clerk a certificate signed by a physician, coroner or two reputable citizens, setting forth as nearly as possible the name, sex, age, color, place of birth, occupation, date, locality and cause of death of the deceased. The City Clerk shall charge and receive for such permit in all cases the sum of one dollar, and shall also charge and receive for each subsequent interment the sum of fifty cents, but no charge shall be made for the burial of any deceased person who shall have died not within the limits of said city, the following specific sums in addition to said sum of one dollar, to wit:

1. From non-resident persons residing outside the City of Sonoma, but having no real property in Sonoma City, standing in his or her name or in the name of some member of his or her family, and who did not own a burial plot in the Mountain Cemetery on November 6th, 1912, the date of the passage of this Ordinance. For first interment \$10.00. For each subsequent interment \$5.00.

2. From non-resident persons, but residing within Sonoma or Glen Ellen Townships, having no real property in Sonoma City, standing in his or her name or in the name of some member of his or her family.

For first interment \$3.00. For each subsequent interment \$1.00.

3. From non-resident persons, who or some member of whose family, owned a burial plot in the Mountain Cemetery previous to September 3rd, 1887, the date of the incorporation of Sonoma City, but who, or some member of whose family, do not own a burial plot in the Mountain Cemetery on November 6th, 1912, the date of the passage of this Ordinance. For first interment \$3.00. For each subsequent interment \$1.00.

4. From non-resident persons, who or some member of whose family, own real property in Sonoma City at the time of the issuance of the said permit, no charge in addition to said sum of one dollar shall be made.

The City Clerk must keep a register of all deaths that shall occur within said City and of all deaths of persons interred in said Mountain Cemetery, and must file quarterly, a certified copy thereof, with the County Recorder.

Section 3. This Ordinance shall take effect and be in force from and after its passage, approval and publication. Approved and passed by the Board of Trustees of the City of Sonoma, this 6th day of November, 1912.

## HAPPY THINGS

There are unhappy married couples, but a large percentage of these unhappy homes are due to the illness of the wife, mother or daughter. The feelings of nervousness, the belated mind, the ill temper, the pale and wrinkled face, hollow and circled eyes, result most often from these disorders peculiar to women. For women to be happy and goodlooking, they must naturally have good health. Dragging-down feelings, hysteria, hot flashes or constantly returning pains and aches—are too great a drain upon a woman's vitality and strength. Dr. Pierce's Favorite Prescription restores weak and sick women to sound health by regulating and correcting the local disorders which are generally responsible for the above distressing symptoms.

Mrs. Dickerson.

"I suffered greatly for a number of years and for the past three years I have had such a misery to my mind," writes Mrs. B. F. Dickerson, of Union, Ohio, "that the doctors told me I would have to give up my life. I could never be better. A year ago this winter and spring I was worse than ever before. At each period I suffered like one in torment. I had the mother of six children. I was so bad for five months that I knew something must be done, so I wrote to Dr. R. V. Pierce, telling him as nearly as I could how I suffered. He outlined a course of treatment which I followed to the letter. I took two bottles of 'Favorite Prescription' and one of 'Golden Medical Discovery' and a pleasant feeling came over me. I have never suffered much since. I wish I could tell every suffering woman the world over what a boon Dr. Pierce's medicine was. There is no use wasting time and money doctoring with anything else or any one else."

The Medical Adviser by R. V. Pierce, M. D., Buffalo, N. Y., answers hosts of delicate questions about which every woman, single or married ought to know. Sent free on receipt of 21 stamps to pay for wrapping and mailing only.

## Library News

As the contract for the Carnegie Library building includes only the building itself, with built-in bookshelves, but does not cover the desks, tables, chairs, shades, lighting fixtures and many other items of equipment, the expense of these will have to be met by the Board of Library Trustees. For this purpose, several hundred dollars will be needed, while the annual maintenance will leave but a very small sum available for equipment.

To assist in meeting this heavy expense the Library Trustees have decided to give an entertainment and dance on Friday evening, February 14th—St. Valentine's Day—and hope to enlist the co-operation of the whole community served by the library.

In this way not only can an additional burden of taxation be avoided, but each individual will have an opportunity, with pleasure to himself, to take a personal interest in assisting to equip fittingly an institution which aims to serve the entire community of Sonoma Valley, and whose work is steadily growing in importance.

Mrs. Chas. Whiting has very kindly donated to the Sonoma Public Library twenty volumes and a large number of magazines suitable for reference work. The Santa Rosa Branch of the Theosophical Society has also donated six volumes and a Theosophical Magazine.

### Mrs. Paul Robin Entertains

Mrs. Paul Robin entertained a number of lady friends at a party in honor of her birthday at her home on Broadway Saturday last. The afternoon was spent in conversation and sewing, and at five o'clock the guests sat down to partake of some delicious refreshments, prepared by the charming hostess. Those who enjoyed the afternoon were:

Mesdames von Hacht, E. Campbell, Kinsella, Lynch, Robin and Misses Ethel Robinson and Maude Guthrie of San Rafael and Miss Emma Estes of Vallejo. Mrs. Robin received many pretty and useful gifts.

Automobile and Motorcycle Notes

The Mission Garage, agents for the Indian Motorcycle, has just received word from the Hendee Manufacturing Co., that it has made many radical changes in Indians for 1913. Watch out! Our announcement containing these changes, together with the great surprise, "The Price," will soon be made.

The Hudson automobile for a lady to drive is just the thing. Starts by simply pressing a button. The Hudson six-cylinder car is conceded by experts to be the fastest thing on wheels. The stock touring car will do eighty miles an hour. Some people will say this is altogether too fast, but power means speed. The other extreme of speed is four miles an hour on the high gear. To show the flexibility of the motor the car will from a standing start get a speed of 60 miles an hour in 30 seconds. What other motor will do this without choking? This car to responsible people we will take care of for three years. Before buying a car see the Mission Garage they can save you money.
